

SAFETY TIPS

At my place

- Make sure your main entrance is lit. Know your neighbors.
- Do not leave valuables in the yard.
- When you arrive at your home, observe your surroundings.
- Do not open the door to strangers.
- Do not provide information to strangers about your activity routine.
- Have the emergency numbers handy.
- If you denote a suspicious car and/or people driving around your home, notify the police.
- When leaving your home or retiring to sleep, make sure that doors and windows are closed.
- If you go out for long periods, close the gas and water taps, disconnect electrical appliances.
