

SAFETY TIPS

With your personal items

- Don't lose sight of your belongings.
- Do not use your belongings to reserve a place.
- Do not leave your backpack or personal equipment with your friends, or even strangers.
- Mark your computer equipment, Tablet or backpack, with some element that is easy to identify.
- If you lose any object, go immediately to the security office or LocaTec.
- If you detect a forgotten object, deliver it to the security area or LocaTec.
