

SAFETY TIPS

Safe taxi

The safe taxi program is a taxi accreditation system for controlled use by the Tec community. With the aim of providing the Tecnológico de Monterrey community the option of having a safe service and with fair rates, regarding this means of transportation.

How to request them?

The security officers can help you to request them or you can do it yourself by calling the following number:

7775221372

"Don't risk using non-accredited services"
